Dear Harold & Lil

Hi! Hope both of you are well. As usual we have been busy with the boys but we still plan to go to see the Keys play soon.

Enjoy the video tape on baseball, the article from TV Guide explains how it was produced.

Also here is a copy of Mark Crouch's own version

OF HOW HE OBTAINED THE PICTURES FROM FOX. I STILL DON'T BELIEVE him!

THE BOYS & FRANCES SAY "HELLO".

RICK DOES NOT DO MUCH ANYMORE, STILL TOO BUSY WITH HIS NEW GIRLFRIEND. I DID ASK HIM ABOUT THE MDN FILE. HE CLAIMS THAT HE REPLACED IT IN THE

FILE DOWNSTAIRS.

THE NEXT TIME I

COME UP I LOOK FOR

IT.

SEE YOU SOON

Dave
